1WOOD Residence

TOP LOCATION FOR A LONG-TERM RENT-OUT

The perfect balance for a comfortable life in Dubai. Close to the main attractions, but away from the noisy tourist routes. With excellent transport access to work but in a quiet friendly area to enjoy life.

1 WOOD Residence

1WOOD Residence

1WOOD — is our new commitment to being as close to nature as possible. Wood textures and accents dominate all areas of the exterior and interior design. Full-grown trees add even more to the natural appeal of the house.

1WOOD is an 18-story residential project with fully furnished apartments, a spacious coworking, a multifunctional public space, a 4-story parking garage, and a swimming pool area for kids and adults.

AMENITIES

LOUNGE LOBBY

The spacious bright lobby with a soft lounge area and 24/7 concierge service supports the project's idea of being close to nature as much as possible. Fully-grown trees, aesthetically designed wooden accents, and all natural materials organically recharge one's energy. Like a walk in the state-of-the-art woods.

COWORKING

With our spacious coworking digital nomads now have more freedom in achieving work-life balance than ever before.

GYM

State-of-the-art sports equipment combines with a great nature view to boost residents' energy for one more prolific day in the city of endless opportunities.

SWIMMING POOL

Outdoor swimming pool for children and adults with showers, poolside sun loungers, cabanas, and a perfectly landscaped area.

PARKING GARAGE

4-story parking garage has direct access to the building for tenants' convenience.

KIDS' ROOM

A colorful space designed for kids' socializing and early development. All is safe and natural. With a twist of mischief

MINI-MARKET

Mini-market shop on the ground floor has all the everyday necessities.

AIR CONDITIONING CONTROL

You can save on your utility bills for non-peak power (NPP) air conditioning with this system.

An adjustable motorized valve allows the air conditioner to provide cooling without using full power.

The air conditioner works almost silently and has smooth adjustment.

ACCESS CONTROL

The system includes an electronic lock for your apartment that can be accessed with a card, fingerprint, or key. Public spaces are also secured with electronic locks that can be accessed using a fingerprint or digital code.

You can enjoy contactless entry to the parking lot with the R-fid chip

SMART HOME SYSTEM

The technology of the future is already here to make your home even more comfortable, safe, and cost-effective.
